

EDUCATION SECRETARIAT

Dated 21st January 1946.

No. E. 4117—Edn. 109-45-3. It is hereby notified that the Government of India have decided to continue next year, 1946-47, their scheme which was initiated this year, of sending abroad students to the United Kingdom, United States of America and other countries which may offer suitable facilities for advanced studies in various subjects connected with development plans, so long as adequate facilities for instruction of the required standard are not available in this country. The Government of Mysore wish to take advantage of this scheme and sponsor some students for overseas training at the State expense. The candidates should be graduates in Science or Engineering or hold equivalent diploma.

Applications are invited from intending candidates in the form appended to the brochure published by the Government of India (copies of which can be had from the Manager of Publications, Civil Lines, Delhi). The name of the subject (only one subject should be specified) with the particular branch of learning in which the candidate desires to specialise should be mentioned. Applications from intending candidates who are in Government service should be sent through the proper channel.

The applications should be sent in triplicate (typed) together with three sets of the following papers duly attested.

- (a) Proof of age
- (b) Degree certificates and Diplomas
- (c) Testimonials from two people who know the candidate personally (preferably one of these should be from the head of the Institution last attended or the Professor under whom he worked last)
- (d) Medical Certificate of fitness from a Civil Surgeon or an officer of similar rank
- (e) Syllabus of studies pursued for the degree and higher examinations or courses
- (f) A brief note on the activities of the candidate since he left college
- (g) Pa-sport size photograph taken recently
- (h) Published papers, if any

The original of the Medical Certificate should accompany the application form. In other cases, copies duly attested will be enough, provided the attestation is made by a gazetted (State) Government servant and his full name and address are given below his signature. The office seal of the attesting officer should invariably be placed below his signature. The candidate should take the originals with him to the Foreign University.

The applications should be addressed to the Secretary to Government, Education Department, General and Revenue Secretariat, Bangalore, and should reach him not later than 20th February 1946.

Dated 21st January 1946.

No. M. 7459—G. M. 46 45-7. The following Memorandum No. 11635—IW. 4 (b), dated 12th October 1945 issued by the Government of India, War Department, (Air Branch), regarding the allocations of priorities for Air Freight *Ex-U. S. A.* is published for general information:—

Allocations of Priorities for Air Freight Ex-U. S. A.

"The undersigned is directed to say that it has been decided that in order to co-ordinate demands for air freight from the United States with the load space available, indents should be submitted to the Air Priorities Board, India, for assessment of priority. In future, therefore, all indents, for freight to be flown from the United States will be passed to the appropriate screening agents, in the same manner as applications for air passages are made.

2. Indents will be submitted by screening agents to the Air Priorities Board, who will allot to each indent the appropriate priority and exercise control over the total demands made if it becomes apparent that demands being placed are in excess of the load space available. The Air Priorities Board will inform the demanding authority and request guidance as to whether the demand should still be considered for air freight, or whether it can be diverted by sea.

3-1 G

3. The Air Priorities Board, India, will allot Priority serial numbers to all demands accepted, and any particular demand will be identified by this number throughout its history.

4. Once demands have been accepted by the Air Priorities Board and Priority established, the appropriate service and departmental authorities will carry out the normal demanding procedure, quoting the serial number allotted by the Priorities Board.

5. In order to exercise economy in the allocation of load, space indenting authorities will be required to process their demands and cancel any items the urgency for which has diminished below the standard required to justify transport by air. The notification of this cancellation will be made to the Air Priorities Board (India), New Delhi.

6. In making demands for air freight *ex-U. S. A.* it should be realised that the position is extremely difficult especially in view of the fact that Lend-Lease will no longer be applicable to Air Transport. It is accordingly requested that demands for air freight *ex-U. S. A.* should be restricted to the absolute minimum.

REVENUE SECRETARIAT

Dated 22nd January 1946.

No. L. 7148—Ml. 16-45-17. Under Section 48 of the Mysore Land Acquisition Act, Government are pleased to direct that the acquisition proceedings in respect of properties bearing S. No. 1 of the Tumkur Village and Khaneshumari No. 713 of Tumkur Town sanctioned in Government Order No. L. 1573-5—Ml. 16-43-2, dated 6th August 1943, as being required for the removal of congestion in the Barline Road in Tumkur Town be withdrawn, as the said properties are no longer required for the purpose for which they were originally intended.
